

# WHAT IS THIS?

The Pledge is a group of businesses who recognize you as part of our community..

Every time you see a Pledge sticker, you know that you are welcome, and you'll know exactly what a business can offer.

**There are a couple ground rules, but nothing too hard to remember.**

1. Be mindful that businesses are donating what they can.
2. Please be polite & kind when interacting with staff or other customers.

**Updated 12/1/17**

Maps are updated & delivered to service providers periodically.
