WHAT IS THIS?

The Pledge is a group of businesses who have agreed to offer certain services to homeless neighbors for free without judgement.

Any time you see a **Pledge sticker** → you know that you are welcome and you'll know exactly what a business can offer.

There are a couple ground rules, but nothing too hard to remember.

1. Be mindful that businesses are donating what they can.
2. Please be polite & kind when interacting with staff or other customers.

The Pledge is a project  **Be:Seattle**
